SALGA President delivers Lecture on Public Service

The South African Local Government Association (SALGA) President, Councillor Mpho Parks Tau is set to deliver the Annual J.N Boshoff Memorial Lecture on; “What is the significance of public service in nation building within a democracy”.

The J.N Boshoff Commemorative Lecture is an annual engagement presented by the Department of Public Administration and Management of the University of the Free State and it is one of the highlights on the calendar of the academic institution.

The Lecture is designed to address current issues in the field of Public Administration and Management and it is an important forum where current views on public service or related issues can be disseminated to the public and student.

DATE: Wednesday, 17 October 2018

TIME: 17h30 for 18h00

VENUE: University of the Free State

Main Campus, Bloemfontein
