Dear Prospective Supplier

CENTRAL SUPPLIER DATA-BASE REGISTRATION FOR GOVERNMENT

With effect from 1 April 2016 the National Treasury has provided a new system that will provide all suppliers with a standard, simplified and automated supplier registration process under its sole control. This new system is referred to as Central Supplier Database (CSD). The CSD will serve as a single source of supplier information to all spheres of government. Going forward it will be mandatory that all suppliers be required to register on CSD prior to transacting/doing business with government or government entities including SALGA.

You are therefore requested to self-register on the CSD website www.csd.gov.za in order to do business with all spheres of government.

Attached is a template for the CSD registration process as well as the applicable National Treasury Circular dealing with all matters regarding CSD. Whilst SALGA will be migrating its vendor data, it is advisable that vendors pro-actively self-register on the CSD. Once registered please provide SALGA with your supplier number as well as your unique registration reference number; this will assist in conducting business with SALGA.

Yours sincerely,

LESLEY MATHE
MANAGER: SCM
