### INVITATION TO THE INTERNATIONAL MIGRATION NATIONAL SUMMIT

The SALGA National Conference in 2022 resolved that SALGA must facilitate the establishment of an intergovernmental program to address challenges related to illegal migration. A series of engagements were held during 2022, discussing the multi-sectoral challenges municipalities encounter. The engagements further highlighted the need for cross border collaboration with neighboring countries to implement cross border programmes in support of municipalities with international borders.

Following all these engagements, SALGA has deemed it necessary to host a National Summit on Migration. The purpose of the Summit is to:

- i. Coordinate all relevant partners for the effective management of migration and to identify key multisectoral programmes that should be implemented.
- ii. Discuss the implications of unmanaged migration in municipalities and collectively identify possible solutions.
- iii. Discuss cross border collaborations.
- iv. To develop a government cooperation agreement.

The National Summit is scheduled to take place as follows:

**Date: 08 – 09 March 2023**

**Time: 09:00**

**Venue: Protea Hotel Ranch Resort Polokwane (Address: 25 km south of Polokwane on the N 1 R101, Farm Hollands Drift, Polokwane, 0700)**

**RSVP: <https://forms.gle/9iEYYx3S3txXPfo47>**

This National Summit will pave the way for the establishment of an intergovernmental program which seeks to address the challenges posed by migration.
