Using land to boost socio-economic transformation in local government

The South African Local Government Association (SALGA) President, Councillor Mpho Parks Tau is set to discuss tested innovative ways to transform land for radical socio-economic development in the local government realm, and the realisation of the United Nations' Sustainable Development Goals (SDGs) within the South African context.

The discussion will be anchored on the spatial transformation programme, the Corridors of Freedom, which is one of the significant initiatives currently being rolled out in local government to address spatial injustices that are a legacy of apartheid.

DATE	Wednesday, 08 August 2018
TIME	15H30 - 17H30
