SALGA to hold National Members Assembly in Gauteng 5 – 6 September 2023

The South African Local Government Association (SALGA) will on 5 – 6 September 2023 hold its National Members Assembly (NMA) in Birchwood Hotel & Conference Centre, Ekurhuleni.

The gathering takes place two and a half decades since the adoption of the 1998 White Paper on Local Government.

It is befitting that the two-day gathering will unfold under the theme: **“25 Years since the advent of the 1998 White Paper on Local Government: Are we on course and driven in Building a Sustainable, Responsive & People Centred Local Government”**.

The NMA will bring together under one roof public representatives from all three spheres of Government, including Cabinet Ministers, Municipal Leadership in the form of Executive Mayors, Speakers, MMCs, Chief Whips, Councillors, Municipal Managers and Chief Financial Officers from the 257 municipalities of the country, as well dignitaries and international guests.

The NMA is the highest SALGA decision-making structure in between National Conferences and will, among others discuss and debate, the plan of action for the sector, and most importantly, adopt positions on local governance systems, policies and legislative matters that have a direct impact on the current state and the future of local government.

Members of the media are advised to register for **MEDIA ACCREDITATION** on SALGA website (NMA Banner) or follow this link: <https://2cm.es/styO> Registration closes Friday, 01 September 2023.
